## Professional Summary

Motivated and detail-oriented Computer Science graduate with hands-on experience in full-stack web development using the MERN stack. Skilled in front-end and back-end technologies, API integration, and responsive UI design. Passionate about building scalable web applications and contributing to collaborative software development teams.

## Education

**Bansal Institute**, B-Tech in Computer Science                                      Sep 2019 – May 2023
- GPA: 8.12

## Technical Skills

- **Languages:** C, C++, JavaScript, HTML5, CSS3
- **Frontend:** React.js, Bootstrap, Tailwind CSS
- **Backend:** Node.js, Express.js, REST APIs
- **Database:** MongoDB
- **Tools:** Git, GitHub, JIRA, Visual Studio Code

## Soft Skills

Team Collaboration, Adaptability, Leadership Potential, Quick Learner

## Experience

**Backend Developer**, Codepact Technology                                      3 May 2025 – Present
- Responsible for both backend (Node.js, Express, MongoDB) and frontend (React.js, Bootstrap) development.
- Designed and implemented REST APIs, database schemas, authentication (JWT), and CRUD operations.
- Used tools like Postman, Git/GitHub, and VS Code for daily development and version control.

**Trainee Software Engineer**, Radix Software Services Pvt Ltd – Ahmedabad                                      Feb 2023 – Apr 2023
- Strengthened foundational knowledge of software engineering methodologies.

## Projects

**E-Commerce Website (MERN Stack)**                                      GitHub Repo
Developed a full-stack e-commerce platform with React.js, Node.js, Express, and MongoDB. Implemented secure authentication, admin dashboard, and integrated payment gateway.

**Employee Dashboard Panel**
Built a responsive dashboard UI using HTML, CSS, and JavaScript. Enabled CRUD operations for employee management and dynamic data rendering.

**Poetry Review App**
Engineered a MERN-based web application for user-generated poetry submissions with real-time review functionality, MongoDB database.

## Certifications

**MERN Full Stack Developer**, Cybrom Technology Pvt Ltd Bhopal                                      *Jul 2024*
Skills: HTML, CSS, JavaScript, React.js, Git, GitHub, Node.js, JIRA, C++, DSA

**C++ through C**, Sharma Computer Academy, Bhopal                                      *Feb 2021 – Jun 2021*
Completed an in-depth course covering foundational and advanced C++ programming concepts.
